## Business Cooperation

To whom it may concern,

KUNZ GmbH is supplier of machinery for the wheel and brake maintenance facilities of Lufthansa Technik in Frankfurt since many years.

The following KUNZ equipment is in operation:

- 2 ea. UBB Universal BeadBreaker
- DUBB Dynamic Universal BeadBreaker
- UTS Universal Torquing System
- UTT Universal Torque Tool
- BTS Brake Test Stand
- BBS Brake Build-Up Stand

All machines are working to our full satisfaction. We also would like to express our appreciation for the excellent support that has been provided by KUNZ through all the years, technically and commercially.

We hope that this productive cooperation will continue in the future.

Kind regards,

Lufthansa Technik AG  
Component Services
