To whom it may concern,

Kunz GmbH is supplier of the KUNZ UTS Universal Torquing System for the final assembly line A320 family in Hamburg since 2007.

The Kunz equipment operates to our full satisfaction and has proven several times to be very reliable and durable.

We also would like to express our thanks for the excellent support that has been provided by KUNZ through all the years, technically and commercially.

We hope that this productive cooperation and support will continue in the future.

Best regards,
